The Medicine is worth more to you than the money

KANSAS CITY, Mo., April 28th, 1904. Pepsin Syrup Co., Monticello, Ill.

I am more than pleased to recommend Dr. Caldwell's Syrup Pepsin for any one suffering from organic disorders. Late hours, irregular meals at different hotels, excessive work and continual loss of sleep so upset my digestive organs that it was next to impossible to sing my roles.

To appear to the best advantage in my work, a healthy physique is absolutely essential. At the suggestion of a friend I tried several bottles of your Syrup Pepsin. I never felt better than at present.

It is now one of my fixed rules to carry a bottle of your medicine in my traveling case. For the benefit it has done me I feel under lasting obligations.

Very sincerely yours, WILLIAM G. ROGERS. (Mr. Rogers is a prominent baritone singer.)
